KÜSCHALL K-SERIES

# KÜSCHALL K-SERIES

## ACTIVE INDEPENDENCE

With its iconic minimalist open frame and lightweight design, the K-Series allows you the ability to enjoy everyday activities; whether it's getting to and from work or pursuing your exciting hobbies, the K-Series gives you the freedom to be you.

The new and improved Küschall K-Series combines exceptional driving performance, rigidity and lightness with aesthetic appeal. Designed for the active and independent individual looking for smart sophistication, it's available in a range of high end frame materials including Aluminium, Carbon and Titanium.

The K-Series is fully adjustable making this a wheelchair you know will fit to your exact requirements.

Unrivalled quality, rigidity and driving performance ensures your K-Series delivers on strength and performance, allowing you to focus on the important things in your active lifestyle.

## FEATURES AND BENEFITS

**1. CONFIGURABLE:** It is available in a wide range of seat sizes and seat heights. Combined with a wide range of options, accessories and colours, the K-Series can be tailored to suit your exact needs and personality.

**2. ADJUSTABLE:** Adjustments come as standard, so finding your perfect position is guaranteed!

### Possible Adjustments:

Front seat height	Rear seat height
Centre of gravity	Backrest height and angle

**3. EASY TRANSPORT:** Quick and easy folding with the perfect open frame design ensures effortless car transfers. Keep independent and on the go!

**4. MATRX BACKRESTS AND CUSHIONS:** Our range offers additional posture positioning giving you the freedom to enjoy the benefits of life in an active wheelchair.
